TALKSHOW INFOTV

Featuring the theme "E-Banking and Cashless payment method", the talk show arranged by INFOTV Channel and the organizers of Banking Vietnam 2007 in Hochiminh City is to be broadcast on 23 November 2007. The talk show is attended by Mr. Ta Quang Tien - Director of Information Technology Department of Bank, The State Bank of Vietnam; Mr. Bui Quang Tien - Head of Payment Department, The State Bank of Vietnam; Mr. Pham Thanh Tan - Deputy General Director and a foreign banks' representative.

Banking technology, e-banking development, modern banking services and the growth of cashless payment services in Vietnam have become one of the key issues among banking activities. Bearing that in mind, this talk show aims at discussing some questions which is sure to catch the attention of the public as What is e-Banking?, How is an electronic bank? What local banks, authority and public should do to implement the cashless payment method in reality?

"Hands-on-lab"

EXIMBANK

Vietnam Export Import Commercial Joint-Stock Bank (Vietnam Eximbank) officially came into operation on January 17th 1990. At the moment, Eximbank provides full packages of banking financial products such as International Settlement, Gold trading, Overseas study consultancy, International-Domestic payment card, diversified services of real estate etc., with standards of a modern bank in the region. In the development strategies from now to 2010, Eximbank aims to become one of the top banks in Vietnam, providing modern banking and financial services with highest quality to meet the rising needs of customers, thus contributing to the development of Vietnam in the period of WTO integration.

CITI

Citi is the world's largest financial institutions with over 3,600 offices spanning over 101 countries and serving 200 millions customers. As the leading foreign bank in Vietnam, Citi offers a wide range of banking services, including currency transactions, hedging, cash management including access to ATMs, trade services, short and medium-term loans in foreign currency and Vietnam Dong to State-owned enterprises, multinationals, financial institutions and private sector borrowers. We provide trade and project finance and advisory, debt and equity capital distribution and M&A advisory. For the last six years, Citi in Vietnam has been awarded best foreign bank in Vietnam, best cash management bank and best treasury bank by the Vietnam Economic Times, one of the country's leading economic newspapers.

HSBC

The HSBC Group is one of the largest banking and financial services organizations in the world, with well-established businesses in Europe, the Asia-Pacific region, the Americas, the Middle East and Africa. HSBC differentiates its brand from those of its competitors by describing the unique characteristics which distinguish HSBC, summarized by the words "The world's local bank". In Vietnam, HSBC first opened an office in Saigon (now Ho Chi Minh City) in 1870. In August 1995, HSBC opened a full-service branch in Ho Chi Minh City. HSBC also opened its second branch in Hanoi on 28 February 2005 and established a representative office in Can Tho City on 26 May 2005.
